

# *Prepare the Way*

*Renewing the Legacy of Holy Cross  
for the Next 50 Years*

As Holy Cross Parish looks forward to celebrating our Golden Anniversary, the “Prepare the Way” capital campaign is underway. We hope that it will enable Holy Cross to enter its’ second fifty years debt-free, with a refurbished parish social hall, and with a level of financial security that supports our current ministries, prepares for new ones, and continues to build the community of faith in this neighborhood.

**Our goal is to raise \$750,000.** Through the combined efforts of school families and parishioners, we have raised \$400,000 to date.

This week you will receive information in the mail regarding our “*Prepare the Way*” capital campaign. **We will hold our commitment weekend on November 15-16 at all Masses and you will be asked to make a pledge to help your Parish.** We are counting on your support and prayers for the success of this campaign.
